

CREATING MEMORABLE PLACES

BIG IMAGIN

ATIONS **NEED LIFE-SIZED** **PLAY**

Invite your visitors to step into a story experience where imaginative play takes center stage.

For over 30 years Soft Play has handcrafted innovative and distinctive play areas, setting the standard for a unique family experience. Our superior craftsmanship and unmatched creativity turns play into a memorable destination. With us, there are no limits on the imagination, only exceptional play experiences.

Renovate current playground systems with innovative elements that are functional and aesthetically pleasing.

Transform your outdoor play area into an unforgettable experience.

Soft Play outdoor play sculptures provide a fun, durable and versatile way to add a theme to your outdoor play system. Easy to clean and maintain, the Glass Fiber Reinforced Polymer (GFRP) construction is very strong and able to withstand more than two tons of pressure per square inch. Each sculpted element is hand painted and the vibrant colors are UV stable and fade resistant. All Soft Play products are designed to meet or exceed applicable ASTM and CPSC Playground Safety Standards.
