

Save big on playground structures!
Now through December 20th, 2024

PLAYGROUND SALE 2024

Design. Build. Play.

For 20 years, Midstates Recreation has been a leading dealer and installer of commercial playground equipment, safety surfacing, shelters, and site amenities in Ohio, Michigan, Indiana, and Kentucky. We partner with industry-leading brands to ensure our clients are investing in the highest quality and most innovative products to inspire generational play.

Our team of experts develop innovative and inclusive recreation solutions for schools, parks, churches, childcare facilities, and commercial campuses to build community and enhance quality of life throughout the region.

Structures shown are manufactured by Playworld, in Lewisburg, Pennsylvania.

**For questions or to place an order, contact
your Recreation Consultant or
info@midstatesrecreation.com**

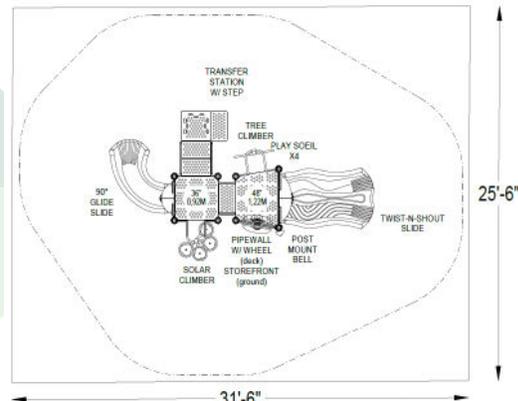

Offer valid through December 20th, 2024.
Orders must be received by December 20th, 2024. All items ship at factory discretion. May not be combined with other offers, some exclusions apply. All Play equipment must be installed over an impact absorbing surface. Prices and colors subject to change without notice. All prices shown are USD and for playground equipment only. Price does not include installation, freight, sales tax, border systems, surfacing, site furnishings, or anything shown that is not part of the structure. Valid only in Indiana, Kentucky, Michigan, and Ohio. Ask your rep about installation pricing.

Minimum space required:

ASTM F1487 & CPSC #325 Compliant

Features Play Soleil Solar Lights!

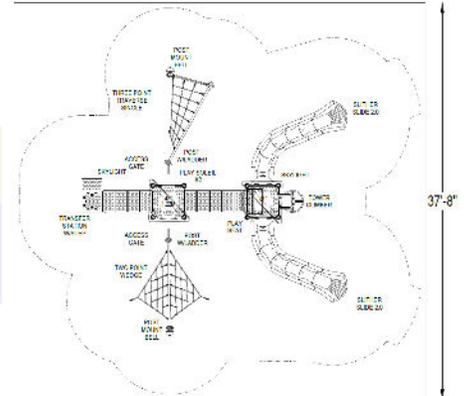

- Tons of play on a small footprint!
- Two 60" curved slides and one straight 36" slide.
- Rocky Ridge climber promotes balance and grip strength.
- Ground level Scavenger Hunt panel provides decals to mount throughout the structure, encouraging kids to explore to find them, while the Spin Racer and Tic-Tac-Toe panel encourage friendly competition and social play!

Matterhorn

\$29,269
REG PRICE: \$42,573

Age range: 5-12

Minimum space required:

39'-6"
37'-8"
ASTM F1487 & CPSC #325 Compliant

Features Play Soleil Solar Lights!

- Looking for rope play? We've got it!
- Rope climbers on either side of the 48" deck provide access to the structure from ground level, while encouraging horizontal, vertical, and angled climbing that requires planning and gross motor skills.
- Contains two 84" slides and Skylight roofs for shade and a fun pop of color!

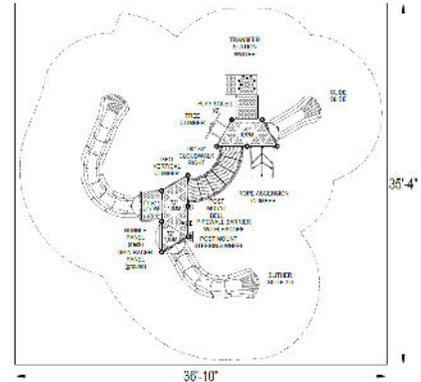

\$32,267
REG PRICE: \$46,933

Age range: 5-12

Minimum space required:

ASTM F1487 & CPSC #325 Compliant

- 108" and 72" curved slides with a 36" straight slide.
- Cloud walk steps connect 36" and 72" decks, while climbers provide access from ground to deck.
- Spin Racer panel promotes friendly competition and turn taking while the Bubble panel creates distorted views from the 72" deck.

Features Play Soleil Solar Lights!

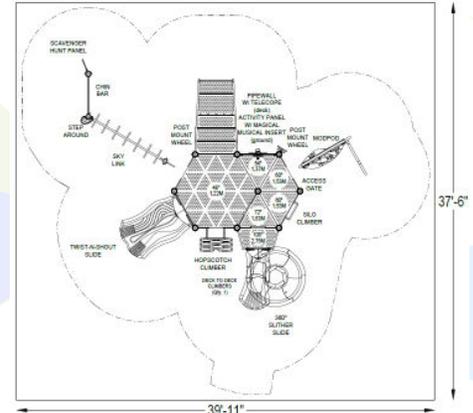

Atlas

\$34,536
REG PRICE: \$50,233

Age range: 5-12

Minimum space required:

39'-11" x 37'-6"
ASTM F1487 & CPSC #325 Compliant

- Features a 108" spiral slide and 48" double straight slide.
- The Sky Link overhead ladder provides a play event that builds muscle strength and confidence as children advance to the next rung.
- ModPod and Hopscotch climbers provide creative access to the structure, while the post mount wheel, telescope, and activity panels offer imaginative and social play opportunities.

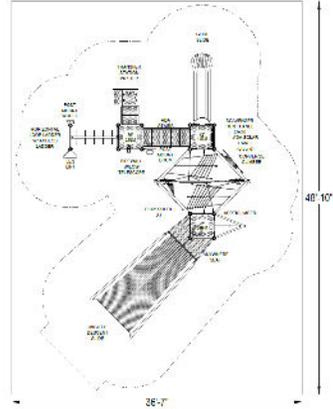

\$37,673
REG PRICE: \$54,796

Age range: 5-12

Minimum space required:

ASTM F1487 & CPSC #325 Compliant

Features Play Soleil Solar Lights!

- This challenging structure has a finish line of the 96" tall, extra wide Mighty Descent slide that promotes group play.
- Overhead loop ladder promotes strength and coordination.
- The central Converge climber allows kids to creatively traverse through rope from one deck to another while allowing ground level access to the decks.

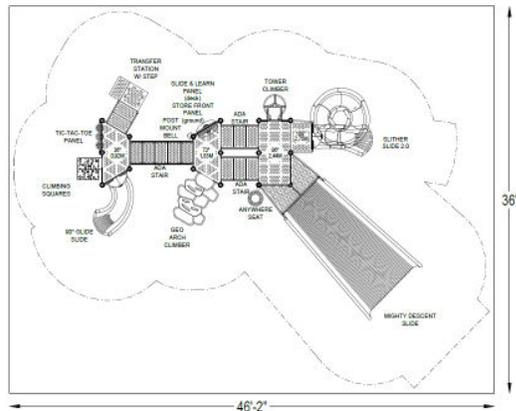

Everest

\$40,004
REG PRICE: \$58,187

Age range: 5-12

Minimum space required:

ASTM F1487 & CPSC #325 Compliant

- Features three slides. A 108" spiral, a 36" curved, and a 96" tall, extra wide Mighty Descent slide which encourages group play as kids will slide down side by side. Less waiting in line!
- Creative linear layout encourages parallel play as kids advance to the next height.
